

# Training and Education Calendar 2010/2011

September 2010

The Eastern Region CNSC is pleased to present the following 2010/2011 training calendar. We encourage you to take advantage of these valuable training opportunities and to share this calendar with your colleagues. Where indicated the training is available via videoconference (VC). For more details on these and other training opportunities through the provincial Community Networks of Specialized Care, visit the CNSC website at [www.community-networks.ca](http://www.community-networks.ca) and click on the Training Calendar.
